

Welcome to Colors Unlimited International (CUI).

Right across Europe, from Oslo to Madrid, the international system of expertise gives bodyshops targeted assistance with their work and prepares them for the challenges of the future.

You've come to the right place. Whatever's concerned – technology, management or marketing – the programme of German paint manufacturer Spies Hecker offers you a comprehensive range of services. For more business success, efficient repairs of accident damage and strong customer ties.

Find out more about CUI. We look forward to your response!

OFFER.

Share the profits.

This expertise system places tailored, service-oriented strategies at the disposal of independent bodyshops.
