

Great profits for car owners.

The professionals of Colors Unlimited International are body and paint specialists. Expert repairs, customer-friendly opening hours, punctual completion of work, comprehensible bills and fair prices – with CUI partners, the customer's car is in good hands.

High-performance after-sales service is also of course part of the package. Whatever the job – private customer, insurance damage or fleet driver – a courtesy car during the repair and a cleaned repaired car are part of the service guarantee. So that customers benefit from the high CUI standards.
